

Wife's Confession

Father, I pray for my husband and honor him as the **"source of life"** and **"chief authority"** in our home, I respect his position and submit myself to his authority. I hold him in high regard, and esteem him high above all men. I decree that he is a mighty man of God and a godly role model to our family. He rules our house well and provides godly leadership and financial stability for our family.

I cancel every strategy and operation designed to destroy his manhood, his success, his family life, his self-esteem, his reputation, his finances, his legacy, and every other area targeted to keep him oppressed, controlled, dishonored, and dominated beneath his potential.

Angels go forth and bring him everything that was given to him before the foundation of the world. Let him be transformed by the renewing of his mind. Let him see his status in Christ and never again settle for anything less than what his inheritance provides.

I thank You Father, for my husband and our marriage. I know that we shall together, successfully overcome every obstacle in life and in our marriage by faith, in Jesus' name, Amen.

Husband's Confession

Father, I pray for my wife and I love her as Christ loves the church. I thank You that she is a virtuous woman and a crown to me as her husband. I thank You that she is my glory and that she does the things that are pleasing to me. I thank You that she submits herself to me as unto the Lord. Her love for God and her submission to godly leadership reflects reverence for me as the priest of our household.

My wife possesses a meek and teachable spirit. My children and I call her blessed. I pray that Your grace will cover her and enable her to manage our household well. Father, wash away all her past hurts with the precious blood of Jesus. Help her to forget those things, which are behind, and reach for the promises of her future.

Lord I thank You that wealth and riches are in our house and that together we have set new standards of excellence for ourselves, our children and for the Body of Christ.

Satan, I cast you out of our home, out of our circumstances, and out of our finances. Your works have been destroyed, everything you have stolen from us, I command you to repay us now one hundredfold. I speak life into every area of my wife's life, and our marital relationship, in Jesus' name, Amen.
