Favor Confession

Father, I thank You that Your favor rests upon my life and has turned every negative situation in my life around

The favor on my life has brought me into the company of the people that I need to know who will use their power, their influence, and their positions to give me every advantage in life

Your divine favor on my life has positioned me to be in the right place at the right time causing me to meet the right people to help me in every situation I face

Because of Your favor, I cease to struggle, I cease to lack in any area of life

Your favor has caused me to live in abundance and wealth and riches are a permanent part of my household

My family is blessed because of the favor that is on my life

My family is experiencing tremendous favor with their teachers, coaches and peers

My ministry and those you have called me to are experiencing tremendous blessings because of the favor You have placed on my life

I have favor going out and favor coming in

I have unheard of favor at the bank, unheard of favor at the car dealerships, unprecedented favor at the mortgage company, and unimaginable favor in ministry

Your favor Lord has opened doors for me that men say were impossible to open

I thank you Father for the usual, uncommon, unheard of, undeniable favor that is on my life and the lives of my family
